## TREO

THE WORLD'S FIRST  
RAZOR DESIGNED TO  
SHAVE SOMEONE ELSE

every experience counts.™

P&G  
Professional™

**There have been 4,000 razors designed for shaving yourself. None have been designed to shave someone else. Until now.**

Gillette TREO is the first of its kind, a brand-new razor we designed specifically for caregivers and their loved ones. To answer the shaving needs of this often overlooked group of people, TREO offers caregivers a level of safety, control and convenience they haven't before experienced.

DESIGNED WITH CAREGIVERS IN MIND

**BLADE**

This Gillette blade is equipped with a safety comb to help protect against nicks and cuts, with an open design to prevent clogging.

**HANDLE**

The unique handle design provides great comfort and control for caregivers and those being cared for.

**SHAVE GEL**

Conveniently built into the handle, this special gel hydrates the hair and lubricates the skin for a comfortable, mess-free shave.
